

## Insurance Policy Information

We understand how confusing insurance coverage can be. **Please understand that we do not guarantee any benefits from your insurance company.** Unfortunately, insurance companies often misquote benefits to health care providers. Therefore, we recommend that you contact your insurance providers personally to confirm your individual chiropractic benefits. While we know how frustrating it can be, Kline Chiropractic and Wellness is not liable for any misinformation given. We accept assignment as a courtesy to our patients, but require our patients to be responsible for their own benefits.

It is understood and agreed that I shall pay the full amount of the charges should my condition be such that it is not covered by my insurance policy or if for any reason the insurance company fails to pay my claim.
